Bellbottoms optional, dancing in your seat encouraged. The Detroit Symphony Orchestra presents Stayin' Alive: The Bee Gees & Beyond with Rajaton, the internationally acclaimed a cappella group. Expect polished harmonies, familiar disco favorites, and a concert full of energy that will have you humming all the way home. Rajaton brings a fresh, voice-only sound to the songs that lit up the disco scene, and the program reaches well beyond the Bee Gees, so there is plenty to enjoy along the way. Whether you spent your younger years on the dance floor or simply love a great melody, this is a chance to relive the magic of an unforgettable era with friends. We will stop for lunch at Mercury Bar afterwards (lunch is on your own and not included in the price).

Deadline to Register is Feb. 5, 2027! 810-626-2135
